## Reflections.... from the Administration & the Board of Directors

As we conclude our 2015-16 program and fiscal year, we readily identify many things for which we are thankful. We would like to share a few of these, but not in a specific order.

We are grateful to the team of 40 coworkers. Each of them committed to the agency's Mission and Vision, and each committed to providing high quality services to over 2,600 people annually. The agency has been blessed with low coworker turnover, now having 16 coworkers with over 5 years, 11 of whom have over 10 years, and 4 with over 15 years.

We are grateful to the 100+ people who volunteer with the agency each year. Over 40 volunteer regularly with the Volunteer Caregiver program, while others volunteer with Be Our Guest - Adult Day Service, the Loaves & Fish Appeal, the Christmas program for low income seniors or through other activities.

We are grateful to the 16 members of our Board of Directors. The Board members provide governance to the organization, serving with the appointment of Bishop Earl Boyea. Board members provide oversight for critical policies, ask the "tough questions", participate in long-range planning, assist with resource development, and share a wide range of talent and knowledge.

We are grateful to Bishop Earl Boyea; as the Bishop of Lansing he has placed a high priority on supporting each of the Diocesan Catholic Charities agencies, particularly our mission to serve the poor and other underserved populations. The members of the Diocesan staff regularly share knowledge, talent and resources with LCCC.

## It's Not Hard...It's Family!

**"No caseworkers!"** said Celes, a teenager who was adopted into her "forever" family. **"To know where you're staying; not moving from home to home"** said Amber, a teenager who was adopted into her "forever" family. Both agreed that having stability and the love of family were the best things to come from their experience with foster care and adoption.

Celes and Amber, now sisters, were adopted several years ago, each along with a younger sibling, into the same family. They were previously foster children of their current "forever" family.

The girls are typical teenagers - excited about entering high school this year, meeting new friends and the sports teams that they are each involved in. A stable family has allowed both girls to excel and explore their interests.

*Amber and Celes say that having a family means people are always there for you. Celes adds, "A family and parents are more in tune to you and you have someone you can share the exciting and bad news with."*

When asked about their future plans, they excitedly share their dreams. Amber hopes to attend the Julliard School of Performing Arts. She plays the clarinet, flute, piano and guitar and hopes to someday play in a symphony. Celes joined the Livingston County Sheriff's Explorer Program and aspires to become a police officer and ultimately a crime specialist.

Currently their family has 4 adopted children and 4 foster children - a warm and busy household! They have dogs, cats, ducks, chickens, a guinea pig and now a goat. Parents, Chuck and Jamie love the houseful of activity their growing family brings. The girls say, for them this is their normal. Everyone pitches in and helps out. **"It's not hard, it's family!"**

The girls share advice for those thinking of becoming foster parents, "The beginning is confusing. Kids are not perfect angels - there's a reason behind it. They should stick through it - even if it doesn't seem like it, it's worth it in the end!"

To learn more about becoming a foster or adoptive parent, please contact Michael Gackler, Child Welfare Supervisor, at 517-545-5944.

# Reflections... from the Administration & the Board of Directors

*Continued from page 1*

We are grateful to the 8 parishes and 10 priests within the Livingston Vicariate. We place a high value on our relationship with each parish and we are tremendously thankful for the support of time, talent and treasure that comes to us through our local parishes. We are truly blessed to be a part of the Catholic community of Livingston.

We are grateful for the many community partners that we have across Livingston County. The collaborative working relationships that exist in this community enable all of us to better serve our clientele. These collaborative relationships include the government sector, the non-profit sector and the business community.

Our plans for the future are to strengthen our presence in the local service community. We will do this by responding to current, emerging and unforeseen community needs. We plan to do this by strengthening our roots with a permanent home. But, we will only do this with the continued support of each of you.

Yours in Service,

**Thomas Janego**  
*President, Board of Directors*

**Mark T. Robinson**  
*Executive Director*

## Special Grant Funds at Work...

The Community Foundation for Southeast Michigan - Livingston County Fund awarded a \$12,774.00 grant to LCCC for Trauma Informed training and certification for 6 mental health and substance abuse therapists. The certification will enhance the various training and skills of LCCC therapists. Trauma can take many forms - physical, mental, or emotional, which limits the individual's ability to function in society and fully recover.

The Robert W. & Maxine C. Parker Foundation granted Be Our Guest Adult Day \$5,000.00 for the fourth year in a row to provide music and art therapy programs along with other activities and needed supplies. Music helps to evoke memories, feelings and sensations and has been found to be particularly beneficial for adults suffering with Alzheimer's and other forms of dementia. LCCC seeks to provide stimulation (physical, mental and emotional) through activities for Guests, evoking positive changes in mood and emotional state.

Funds from Extreme Machine, Inc. and the Maria Anna Brunner Fund were received to help with general operations for our Resource Advocacy program and Be Our Guest Adult Day, respectively. Resource Advocacy is offered free to county seniors and assists with securing needed resources to enable the seniors to live independently and with dignity. Be Our Guest Adult Day is offered on a cost-share basis. Over 83% of the seniors served in each program live at or below 150% of the national poverty level.

Additional funds for programs were received from the DTE Energy Foundation, First Presbyterian of Brighton, Foote Tractor Inc., Catholic Campaign for Human Development, Swallow Family Foundation, Ladies Ancient Order Hibernians - St. Patrick and the Livingston Consortium on Aging.
