Meagan has been involved in Special Ministries for 2 years. Prior to moving to Hartland, Megan spent 16 years living in Detroit. She definitely prefers Hartland! When Megan isn’t working at Woodland Village, she likes to play video games, read books, write and spend time with her family. She has an Australian Blue Heeler German Shepherd, named Bella that she loves very much! Meagan’s favorite food? Chinese!

Meagan participated in Special Olympics prior to coming to Special Ministries. She loves Bowling, Movie Nights, Softball and Basketball! Meagan says that Special Ministries has played a big role in her life, helping her make new friends and becoming involved with SMLC has really just “done everything for her!”

We had an awesome time getting back together in July! It was so good to see everyone! We missed everyone so much! We are hoping that everyone that we haven’t seen will get to come out soon and see all of us! Our Taylor’s Beach activity was so much fun with a pizza party, craft, hayride, boat ride, swimming, cornhole, ping pong and mini golf! Thank you so much Alan Taylor for hosting us and we love coming there so much! We have another date planned this month and we would love to see so many more of our friends join us! We have plenty of space to social distance, masks are provided, bathrooms are extra clean and sanitized. The Taylor’s Beach and SMLC staff are taking all the extra precautions to make this activity safe and healthy for everyone! So come out and join us this month!!
A Word from Our Program Director

Hello everyone,

I cannot believe we are halfway thru the year! It’s going to be 2021 before we know it! I’m excited that we have been able to successfully get our in person events back up and going again! We will continue to offer Zoom events weekly for family’s that are still not comfortable coming out in a group setting.

We do plan on continuing our Parent/Caregiver Connect Nights Monthly so that you have a chance to connect with other parents/caregivers and we do hope that you will join us! Please see your calendar for exact dates!

I do want to thank my staff for all the work they have done to help me keep things on track and make our zoom events fun and entertaining for everyone! They are the best!

Payment Information

We are currently asking everyone to pay at events if you are able to. If you are not in a position to pay at the event, we can bill you at the end of the month. We just ask that the previous months events be paid for prior to attending the following month’s event.

IMPORTANT Transportation Information

Due to social distancing guidelines, transportation is limited to 6 people each event thru LETS. We will need to rotate participants so that everyone without a ride, has a chance to participate at least once a month in person at an event. We do not know when the governor will be adjusting this guideline, so if you do have a way to transport your participant please transport them to and from events. This will guarantee them to be able to participate.

Parent /Caregiver Connect Nights!!

We are hosting monthly Connect Nights, where Parents and Caregivers can connect via Zoom! If you have not been getting the emails with the Zoom invitation, please let Amanda or Brook know and we will get you added to the list! We know not everyone can make it every month, but if you can make it, please come and connect with everyone and let us know how you are doing! This is a great place to get support and continue those friendships that you may have made prior to COVID! Let’s reconnect!
