HELPING LIVES GROW

Driven by faith - HERE FOR ALL

"So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand." ~ Isaiah 41:10

The LIGHT of our LORD shines through!

As we begin to climb out of the COVID-19 health crisis, we would like to take a moment to say **THANK YOU** to each of **YOU** along with local businesses, churches and organizations who have been that **Light of the Lord** that has shone through during these unprecedented times with their love, support and prayers for LCCC so that we could, and will, remain responsive with critical services during the crisis and now as we all begin to open our communities again.

Our team has been extremely overwhelmed by the support of each of you! In addition to your tremendous financial and in-kind donations, your prayers along with God's loving hand have given us the strength and determination to push through this time while we navigated necessary changes and adjusted how we provide critical programs so that critical services, in accordance with the CDC and State of Michigan, were able to help our community's most vulnerable.

It is through you that:

- Seniors were able to receive help to connect to essential services - many of whom have never had need of such services and programs.
- Persons struggling with addiction were able to continue to receive necessary therapy to aid with continued sobriety during this time of great unknown through telehealth.
- Persons with depression and anxiety were able to receive mental health counseling during this time of great stress and upheaval through telehealth.
- The 22 children and families in the foster care and adoption program were able to continue receiving critical services and the process was not stalled.

YOU have been the life-line of our community and for that we are extremely grateful!

God Bless you all,
Board & Coworkers of Livingston County Catholic Charities
